What is *Christmas for Christ* and how does it work?

Christmas for Christ is an annual offering of the United Pentecostal Church, International that is received each year around the Christmas holiday season.

This offering goes exclusively to provide support to church planters in North America (the U.S. and Canada). The 2018 CFC goal is \$5 million dollars.

- Every church sets aside a special day to bring their best Christmas gift to Jesus. Due to our special Lamb of God performances in December, Bethel will bring our gift offering for CFC on Sunday, January 13, 2019.
- We bring our best Christmas gift to Jesus Christ – which in turn provides the best Christmas gift we can give to our communities – A CHURCH!
- Of the offering received, 40% stays in the local District (New York Metro District) and is used for funding and allocations to church planters in our District. The remaining 60% of the offering is used to support church planters all over North America.
- Don't forget – CFC SUNDAY, JANUARY 13, 2019.
