WELCOME TO BETHEL

TODAY IS
MISSIONS Sunday

I AM GLOBAL

The "I AM GLOBAL" offering is a once-a-year offering that is received from pastors and churches during the General Conference of the UPCI. The purpose of this offering is to augment the funds being raised by each missionary family for their budget.

We now have a final victory report concerning the most recent "I AM GLOBAL" offering that was received last Fall. More than \$1.2 million has been submitted to the Global Missions Office. Because of this, by this past December, more than 12 missionary families were able to complete their fund raising deputation and return to their field of labor.

Thank you to all those who give sacrificially every year to enable the United Pentecostal Church, International to be a GLOBAL CHURCH!

THAILAND

Pastor Jack Cunningham categorizes the recent National Conference in Thailand as "amazing" and says that participants are calling it "the best conference ever".

More than 226 persons were filled with the Holy Ghost and more than 100 claimed specific healing during the conference.

An Overview of Purpose Institute

Purpose Institute is a weekend college allowing students to work towards an Associate or Bachelor Degree in Theology. It is open to men and women who want to improve their effectiveness in their personal ministries. The one-weekend per month format allows students with busy schedules the opportunity to invest in ministry training. Classes are held on Friday evenings and Saturdays for a total of 8 to 11 classroom hours of training each month. In addition to specific reading assignments, homework is required and final exams are administered at the end of each semester. Semesters begin in August and February.
